

Abundance of Joy CHILDCARE CHECK LIST

Children need to have an opportunity to visit the school prior to being dropped off on the first day. These visits need to be scheduled and are best done in the morning. You should bring your child into the classroom and help them get settled and then step out of the classroom to allow your child some time on their own. You want to try and make this visit as realistic as possible. Visits are to be kept to ½ to one hour at the maximum.

All payments are made by CHECKS, MONEY ORDERS, NO CASH PLEASE
